Region Tidbits

2010 Region Board

The So. Cal. Region Board will remain the same for 2010. There were no nominations from the floor and each member of the Board from 2009 volunteered for another year. The 2010 Board is listed on the back page of this Regionnaire.

2010 Volunteers Needed

Two volunteer positions remain vacant for 2010: 1. Tour Director and 2. Supplying coffee and Water for the monthly meetings. Richard & Karen Lacourse have filled the coffee/water responsibility for the past year and did a great job. This task is ONLY to bring coffee and water to the meeting and not refreshments. Various members will volunteer in advance of each month meeting for that task.

Supplies are available for bringing the coffee/water items along with the cups, etc. Please volunteer, your efforts are appreciated!

Thank You Richard & Karen!

Miller Children's Wagon Donation

Each year the So. Cal. Region donates children's wagons to Miller Children's at Long Beach Memorial Hospital for patient transportation usage. The wagons are used to transport children patients throughout the Hospital for patient care and tests. During past years the quantities have been 2 or 3 wagons. In 2009, we donated 3 wagons. The Region donated 1, Royce Inglis donated 1 and Eldon Northrup donated 1.

2010 we plan on repeating the donation! Ellie Jeppesen has been selling scarf's, which were donated to her for this purpose, and she now has the funds for 4 wagons. Mr. Northrup and Mr. Inglis also volunteered to donate a couple more wagons. Contact will be made with Child Life at Miller Children's to determine their need for this item, or alternative items. This charity is our primary recipient of our donations and they are very appreciative. Further news of this donation will be forthcoming.

Christmas Party and Children's Presents

It is noted in the Christmas Party flyer that each attendee is to bring the usual child unwrapped toy to be donated to Miller Children's before Christmas. These presents are brought to the hospital after the Christmas Party and delivered for distribution.

Your participation is NEEDED, and APPRECIATED!

Newsletter "Filler"

The car is our 1956 Bel Air Sport Coupe! This was, after my '60 Corvette, my most wanted car, color and all. I purchased it about 6+ years ago in the finished condition. After completion, the car had been sitting in a garage for about 10 years and in the process 2 garage door springs had broken glass and caused dents, etc.

Recently I received some pictures from the previous owner (we are still friends) of the car when it was being restored. Since I need to fill space in the newsletter I thought I would use it as filler. Too bad it is not in color, I sent it in email in color.
